## ACT School Day

All Juniors will take the ACT at Logan Elm High School on March 1st. State law requires districts and community schools to administer the state-funded ACT or SAT to all grade 11 students in the spring of the school year. The test is offered free of charge to families. It is the official ACT test that can be used for college admissions, scholarships, and high school graduation requirements. More information along with practice tests and resources can be found by clicking [HERE](#).

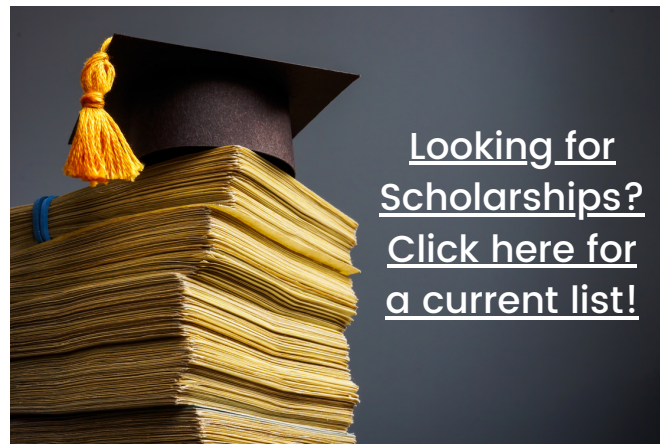

## ASVAB Testing Results

A representative from the ASVAB Testing Center will be at LEHS on February 22nd to go over students' results on the ASVAB Test that was given in January. For information on your results you can check out the ASVAB website as well by clicking [HERE](#).

## Scheduling for 2023-2024

We will be meeting with students soon to look at classes for next school year in our new building! Counselors will review courses and graduation requirements with students during the process. Reach out to us if you have any questions or concerns.
