# LEHS Counselor Newsletter

Mr. Alspach (A-J) Mrs. King (K-Z) Ms. Swackhamer (Secretary)

## Spring Testing

Spring is the season for testing!!!

Students will take their End Of Course (EOC) tests the week of April 17th. EOC's are given in ELA 2, Algebra, Geometry, Biology, American History, and American Government. These tests are used toward graduation competencies and seals.

Students also took Pre-ACT (10th graders) and ACT (11th graders) tests on March 1st. The Pre-ACT results were returned to students along with their test books so they can work on improving their scores for the ACT test. ACT test results have also just been released. Students should have gotten an email with a link to their scores.

AP testing will take place in May. More details and resources on testing and other areas are available on our website (link at the bottom of the page).

## College Credit Plus (CCP)

Students that are participating in CCP for the first time (or applying to a new college) in the 2023-2024 school year should make sure they are meeting college application deadlines for fall semester:

- Ohio Christian University- due **April 28th**
- Ohio University- due **May 1st**
- Columbus State- due **June 30th**

Students should also make sure they are meeting with their college advisor and Mr. Alspach when working on schedules and registering for classes. A new link to the CCP Google Classroom was sent out this week. Students should join this for CCP updates.
