Closing out the 2022–2023 School Year

As we close out the year, we will continue to conduct testing. Our AP Testing will begin on May 1st and continue into the following week. Senior exams and final exams will wrap up the end of the testing season starting on May 18th and ending on May 24th. We will also host our Senior Awards on May 12th. This is a great time to share in the successes and future pathways of our graduating class! We will continue the celebration on May 26th when we graduate our Class of 2023! If you have any questions once school is out for the year, feel free to email us by clicking on our names above or visiting our website for additional information. Counselors are in the office through the beginning of June.

Braves Expo Day

Friday, May 5 is Braves Expo Day. There will be many great activities for students to explore! Grades 10, 11 and 12 will rotate through various career focused sessions. We will have guest speakers, conduct mock interviews, have a session on financial literacy, and have a panel of recent grads that will speak to our students. There will also be a job fair held in the gymnasium with numerous employers, schools, and military representatives. Freshmen will be out of the building on a career field trip at a site of their choosing. Their choices are: the Franklin County Common Pleas Court, the Columbus Museum of Art, the Ohio Contractors Association job site visit, or a John Glenn International Airport job tour. We are looking forward to a great day!

Sources of Strength

House Bill 123, the "Safety and Violence Education Students (SAVE Students) Act," regarding school security and youth suicide awareness education and training was enacted in 2021. This calls for a comprehensive approach to school safety involving the Ohio departments of Education, Public Safety, Mental Health and Addiction Services and Attorney General's Office. We are excited to be starting the Sources of Strength program at Logan Elm. More information on this will come in the near future!

Upcoming Dates
