## Welcome Back

Welcome to the 2022-2023 school year! We would like to introduce our counseling department here at LEHS. Mr. Alspach works with students with the last name A-J and Mrs. King works with students with the last name K-Z. Ms. Swackhamer is our Counseling Secretary and a great resource for all students and parents. Don't hesitate to reach out to any of us.

- General High School News can be seen on the [LEHS Main Home Page](#).

## Schedules

The Counseling Office has been working with students on schedules and credits as we start the school year. This graduating class of 2023 starts the first of the permanent graduation requirements. We are speaking to students about the credits, competencies, and seals required to graduate. More information can be found by visiting our [LEHS School Counselor Page](#).

## Guest Speakers

Starting in September we will have guest speakers from various careers and colleges. Students are able to attend these informational sessions during their Academic Enrichment period. These are great opportunities for students to learn about life after high school and ask questions. Upcoming events will be posted to google classroom.

## Google Classroom

Google classrooms have been created for each graduating class. Here we post events, registrations, links, and much more. If students have not joined, they should ask their Academic Enrichment teacher for help or stop in the Counseling Office. After students join the classroom they can add parent/guardian emails so that they can receive weekly updates of our posts.
