

October 2022

LEHS Counselor Newsletter

Mr. Alspach (A-J) Mrs. King (K-Z) Ms. Swackhamer (Secretary)

Graduation Checks

Classes are well underway and we have been doing credit checks on all of our Class of 2023 Seniors. Senior Success Meetings are completed where we meet individually with Seniors about future plans as well as any barriers to graduation. Students must have 22 credits as well as the new graduation requirements which include competency and readiness seals. Interventions are being put in place for students that are not on track to graduate. Contact us anytime if you have questions or concerns about graduation status or the new requirements. We are here to help!

Preparing for Careers and College

September 28th was the annual Pickaway County College & Career Night at Circleville High School. Students were able to meet with over 100 Employment and Education Representatives from schools all over the state and beyond as well as local and regional businesses. Also throughout September at LEHS we had visitors speak to our students from Ohio University, Ohio Christian University, Rio Grande, Columbus State and Hocking College as well as representatives from Kenworth, the Navy and the Coast Guard. Counselors also visited with English Classes to go over the Common Application which is used to apply to multiple colleges on one platform.

Pickaway-Ross Career & Technology Center (PRCTC) Presentation

All Sophomores were recently shown all of the programs that are available to them starting their Junior Year. Students chose three programs to view on our tour of PRCTC, which will take place on the afternoon of November 8th.

PSAT

Students had the opportunity to sign up for the optional PSAT test in October. This test is a practice for the SAT as well as a potential qualifier for the National Merit Scholarship Program and other scholarships. The test takes place on Wednesday, October 12th.
