Logan Elm High School Key Club Sponsors Blood Drive

Each year the Logan Elm Key Club hosts two blood drives in conjunction with the Red Cross, one in the fall and one in the spring. This spring, we had a goal of collecting 33 units of blood and we exceeded this goal. We were able to collect 42 units of blood, which can potentially save up to 126 lives. The Key Club officers, Hannah Affolter, Rachel Noble, Abby Hatter, Kara Lutz, and Gracieanne Grey, helped keep the drive running smoothly and coordinated their efforts to work the registration table and any other areas where the Red Cross needed assistance. Because Logan Elm has hosted two drives this year, we will receive a scholarship from the Red Cross to be awarded to a deserving senior at our senior awards ceremony.

Salt Creek Students Explore Community Issue

While exploring issues in their local community, Salt Creek 5th Grade students decided to investigate a commonly heard refrain of "there's nothing for the youth to do in Circleville."

The students started out with two ideas, a pool and an arcade. After a visit from Officer McIntyre, the students realized a pool was not feasible and joined forces to design an arcade. Different groups of students in the class had different assignments. One of the groups made a blueprint and then built a scale model.

The students have been supported by representatives from Ohio Means Jobs. They also received a \$500.00 grant from the Pickaway County Community Foundation. Chaz Freutel from the Young Entrepreneur's Academy visited their classroom to give them more ideas about how to get the business up and running.

The students will continue to work on this project in the sixth grade during the 2019-2020 school year.

Tyler Bowlby, Camden Ebert and Kaylee Ross talked to those present at the Board of Education meeting on Monday, April 8th, about this interesting project.
