Submitting Your IPDP

If you need suggestions for formulating your professional growth goal(s), you may find the following goal components helpful. Make sure to complete every item on your Individual Professional Development Plan (IPDP), including the submission date, sign it, and send your original to the LPDC in care of Amy Colburn. Only choose the standards most relevant to your goals. You may submit the IPDP as soon as you receive your new license. You cannot count any professional development hours earned prior to submitting your new IPDP.

GOAL COMPONENTS:		
Select one from each column (Mix and Match)		
I will	In What Area	And Then...
Become knowledgeable about	a method (UDL)	implement
Read widely in	a program (RTI)	modify curriculum
